“ So many fun times! He will be missed. Wow, just remembering all the talks we had, the movies we watched, the talks we had about movies we watched. Oh, and that epic hair flip he always did. I'm happy I knew you Josh, and I'm sad you had to go.

“ I remember meeting at the edge of all places, I was djing with Chris when you started showing up, full of attitudes and opinions about everything, but we got along. We were never that close, had a lot of the same friends, moved in the same circles for years. I know we haven't been that close for a few years, but you'll be missed

“ Josh, I never laughed so hard or so much as I did with you. The memories of good times with you, my friend, are a blessing.
