“ Roz was an amazing person. Beautiful inside and out. Always there to encourage and show she cared. My heart is with her family. I among many others are going to have an empty place in our lives. Thank you Roz for a wonderful friendship

“ My heart is with her children and all that loved her. We were friends before the four of you kids existed in anyone's thoughts and when you were small. I know the joy she found in her children and that she had a real spark that she wanted to share with you and the world. I hope you find memories that give you comfort and understanding.

“ 02-22-19

I just learned yesterday evening of Rosalinde's death, and I want to extend my heartfelt sympathy to all of her family. She was my niece and sometimes babysat for us when our children were young. She loved Greg and Nancy, and they loved their "Rozzie." She always had a smile on her face and had a warm and loving personality. She will be sadly missed by many people. She will always have a special place in our hearts with loving memories.

All of you will be in my thoughts and prayers.

“ My sincere condolences in the loss of your dear Rosalinde, my childhood friend when we both were in junior high school in St. Albans. We spent so much time together either at her house or mine, but I never saw her again after 1962 when I left WV. Thanks to social media, we reconnected two years ago and it was great sharing once again with her.

Losing your Mother is one of the most difficult journeys you can travel, but I pray God's grace and strength will be yours in the days ahead and may the memories you hold dear help in filling the void left by her passing. Heaven is rejoicing at her homegoing and may she forever rest in peace.

In His love and mine,
Brenda Summers George

“ Momma

I miss you so much. Even though I was not your child by birth, you and I adopted each other over 35 years ago. You guided me as a mother would one of her own. You taught me how to be a better mom and person.. I've told you many times how much I love you... And I'll tell you again someday.... Thank you Momma....

“ Rosalinde was a very close childhood friend of my siblings Carol Yvette and David Walker. She was such a beautiful, sweet, funny girl who married our next door neighbor Rick. Even though I was a little bit younger, I have fond memories of Rosalinde and her family who lived down the hill from our grandmother. I am so sorry to hear of her passing and pray her children, grandchildren and all those who loved her will find comfort in knowing she made a positive, lasting impression on so many people, most of whom you've never met. May she rest in peace.
