“ Hey John. This is Doug Martin. In my memories I still see your mom and dad at every basketball game home and away. They always had a smile on their face and a kind word for everyone. They didn't come any better than your mom and dad. Prayers.

“ So sorry for your loss. She was undoubtedly the sweetest person I ever met. She was the same even when she was in pain. She once told us about her husband and how she looked forward to seeing him again. Loved talking her. Always a smile on her face when she saw you coming. I loved and will miss her dearly. Linda last summer she spoke about you and held you in the highest regards. I'll never forget her and will always think of her when we walk by.
