“ I have known Paul and Margaret for over forty years, as well as Paul Jr. Joy, Jackson, Justin, and I offer our condolences and we will really miss our conversations with Paul Sr. out on the porch. He always made the time to come out and talk with us when we came to visit throughout the years. We always enjoyed the talks about trucks, life, sports, and family. He was a great neighbor to my parents, Fred and Pat Bias. He would take the time to walk across the street and put their trashcan away when they were out of town. We would always make sure his paper was up on the porch and easily accessible. Simple things that create great memories and stories to tell. He will be greatly missed by neighbors as well as his wonderful family!
