

Thomas Edward Oxley, Jr.

March 17, 1979 - July 27, 2020

Thomas Edward Oxley, Jr. left this world, on Monday July 27, 2020, he was 41 years old. Tommy was born and raised in Charleston, WV.

He was preceded in death by his father Thomas Edward Oxley Sr, of Charleston, and sister Denise Hall "Sissy", of St. Albans.

He leaves behind his son Preston Oxley, brother, James Oxley of Charleston, sister, Melissa Oxley Beckner of Charleston, sister, Martha Oxley of Charleston, mother Carolyn Cooper and sister, Danielle Hall of Louisiana. He also leaves behind many other nieces, nephews, cousins, and extended family. The family wants to include an extended family member and friend they consider very close and dear; Kelly Adkins of St. Albans.

He always was determined to keep going hustling through ups and downs. Tommy played several roles during his time here on earth. Tommy was always known for his handy work, his window tinting business and his love of vintage cars & trucks, his ability to fix anything and his strong survival instinct and his quick wit. Tommy always had a love for children and missed his son Preston.

Tommy's life was cut too short. The family wants to be at peace with his passing and ask that those people on the outside respect their privacy at this time.

The irony in grief is the person you want to share it with is gone. We hope this is the beginning of healing, peace for those who loved him, reflecting on Tommy and his life when he was here with us and when better times were had.

The family thanks Bartlett & Nichols Funeral Home and all the family and friends who have helped and reached out during this time of loss.

You may visit Tommy's tribute page at BartlettNicholsFuneralHome.com to share memories or condolences with the family.

Bartlett-Nichols Funeral Home, family owned and located at 409 Sixth Ave., St. Albans is honored to serve the Oxley family.

“ Gosh Tommy were do I begin! We go way back as little kids. You got a special soul ol buddy. I have so many memeriors from the flat(on the neighborhood kids know what that was), to playing football, riding our bikes and seeing who pop the bigger wheelie to tinting my car windows. You will never be forgotten. RIP my ol' friend!

“ Tommy was a good kid and could do anything he set his mind to, he was pretty much the best window tint person around, he definitely was a hustler cause he always had to have a nice vehicle and dressed all nice and he had that talk. Tommy was a friend of the family pretty much all of his life we all grew up on the Westside hill, you will always be remembered
