

William John Wileman III

May 16, 1974 - August 11, 2019

William John “Bub” Wileman III, 45, of Scott Depot, passed away Sunday August 11, 2019 at 8:25pm, at Saint Mary’s Hospital

William was born in South Charleston, May 16, 1974. He was preceded in death by his father, William Wileman II and his grandmother, Berthe Keener, both of which raised William his entire life.

Bub was an employee of Patriot Coal for many years, and loved everything about coal mining. It was not just a job to him, it was his career and a brotherhood that made working for the company so special to him. He was an avid hunter and fisherman, and much like his father he had a passion for the outdoors. Both William and his father Bill Wileman instilled the love of outdoors, into William’s children as his father did him. Both William and Bill had a great passion for collecting guns and knives.

William had an incredible love for his children, Hailey Wileman of Charlotte, NC and Haiden Wileman of St. Albans; mother of William’s children, Angela Lacy (Larry W. Lacy Jr.) of St. Albans; William was also married to Michele (Moss) Wileman Of St. Albans; sister, Beverly Jividen of Poca; brother Scott Wileman of Pliny; and many other extended family and friends.

Bartlett-Nichols Funeral Home, family owned and located at 409 Sixth Ave., St. Albans is honored to serve the Wileman family.

“ William and I met in October 1992 and married in August 1995. We divorced in August 2004. William and I have not always seen eye to eye on the raising of our children, Hailey 20 and Haiden 17 but we always tried to put our children first and foremost.

One thing I can surely say about William is that he was ALWAYS a consistent dad, you could set your clock by his nightly phone calls to the kids before he went to work. There was never a night or day he missed calling his children until they got older and they called him.

Health problems entered William's life due to diabetes from age 18 until his passing. It affected every part of his being but his mind. He was always witty, ready to talk about hunting and fishing, and enjoyed his long talks with friends when they'd come to visit.

It was an honor he chose my husband, Larry to be his best friend! I could not have asked for anymore support from William and Michele over the years because they showed up to football games, cheer competitions, basketball and baseball games. They truly always supported the kids aspirations.

Hailey was the Apple to her daddy's eye and Haiden was the young man who carried his daddy out of the woods when he could not do it himself.

Much has been put on Michele as for William's care and she was selfless. She never asked much out of the kids when it came to caring for their daddy but when she did, Hailey was there to help and do what she could. Haiden was also very respectful to his father and did what was asked of him and what was not! Ha ha Like taking all the lawn equipment apart and Dad (Paw Paw Bill) put it back together.

William's lifelong best friend through it all was his daddy; Bill Wileman. His dad was the BEST to William! He raised him into the man he was along with his moms help, Maw Maw Berthe.

All of William's family adored him but I have to say Bobby Jr. was a huge influence to showing William right from wrong and how to be a good husband. William and Bobby Jr. we're inseparable when I came into the family. Both William and I had the great honor in being in Bobby Jr.'s and Robin's wedding.

There's countless memories with all of his family and mine.

William was a phenomenal father, great friend to many, and a hard worker throughout his life.

I am proud to have been in his life and to have been the one he trusted above all until his passing.

There will NEVER be another William (Bub, Willie, or Slick as my husband called him) like him! He was one of a kind!

You will always be in our hearts, forever in our memories, and we all will keep your memory alive with our incredible times we've all shared with you.

Fly high, William and watch over our babies..

“ Many fond memories with us and the kids. Buddies for ever

“ William was my brother in law and I've known him since the '80's. His main reason for living was the outdoors! Fishing, hunting whatever, he loved being outdoors! One time pops in my memory grieving his loss. 21 years ago I lost my daughter and she had been friends with William. That evening as we all gathered at my house, I was sitting on front porch alone. William came out to comfort me. We hugged and cried for a long time. He was a special guy. My heart aches for Hailey and Haiden. You will always be missed William!
