“ *Its a shame his family put him in the nursing home and never talked to him I called him all the time he was hurt and now you won't let his friends say goodbye shame on you girls!* ”

*What's a shame is you continued to try to get money from him even after he was unable to care for himself anymore. All friends are welcome to say goodbye however they see fit. Throw a memorial service yourself if you would like to. We are saying goodbye by spreading his ashes in his favorite place where he grew up.*
