“ You gave no one a last farewell, Nor ever a goodbye. You were gone before we knew it , and only God knows why. A million times we will miss you. A million times we will cry . If love alone could have saved you, You would have never died. In life we loved you dearly. In death we love you still. In our hearts you hold a place , no one else can fill . It broke our heart to lose you , but you didn't go alone, for a part of us went with you , the day God took you home . We will meet again someday I know in a better place . I think God He made you our brother, While you were on earth . I LOVE YOU BUBBY
