“ Mr. Byrd has done a lot for my family over the years. He has helped my grandparents with several projects around their house and even sold my aunt and uncle their current house. He truly cared for his neighbors and that care will never be forgotten. Rest easy Mr. Byrd.

“ Jack held a special place in my heart. I worked with him at the bus garage. He would tell story after story, always so interesting and entertaining. He will be missed but I'm thankful I will see him again! Praying for comfort for his family.
