“ I am so so sorry to hear of Barbara s passing. As you know my Mom and Barbara were such great friends and sisters in Christ as well. Barbara and Bob were always at our house growing up, I thought they were family for the longest time. Barbara was one of the most caring loving women you could meet. She ALWAYS put others first. After my mom passed I would run into her we would hug and hug and talk of mom and I always felt like it was the closest thing to hugging my mother again. I'm sure they are both in heaven having a cup of coffee with Gloria and telling stories of out the good old days My prayers go out to all her family, she will be remembered and greatly missed. My sister Shelly and I were out of town and had no idea of her passing or we would have attended her services We are so sorry for that. My brother Steve in CA and Sandy in Ohio both send their heartfelt condolences as well.

Barbara was such a wonderful lady. She was so easy to love. And she lived her whole life as Christ taught us. She was always taking care of other people more than herself. I am a better person for having known her. And she leaves a wonderful legacy through all her family. I will continue to pray for all of you that the grace and peace of our Lord and the memories of good times will help you all through the days ahead.
