“ I was Bernice's caregiver and it was such an honor to be able to care for her. She was a very special lady whom I loved very much. Most days before I would leave to go home she would take my hand and give it a squeeze and sometimes a kiss and look at me with love and gratitude in her eyes. I'm going to miss that almost as much as I'm going to miss her. She will never be forgotten.

“ *Bernice was always so kind to all of us Red Oak kids. We all grew up with her children in a time where we ran around playing outside and playing board games..what a great time that was. Bernice also drove me to college during the time she was attaining her college degree and I was always so thankful for her kindness. My heart and prayers go out to her family...may God send you comfort at this time. I know when he calls me home Bernice will be one waiting to welcome me in to Heaven.*
