“ You brought me into your home, protected me, loved me like your own. So many memories, the ones that come to mind are me driving the Monte Carlo and scaring you, that was funny, you had two sons and my driving scared you!

You saved me from the snake in the house, we went a played the machines a couple times.

We were walking into Thomas to have baby Lee, you told me keep that baby in there until tomorrow, because that was your daddy.'s birthday. You will be missed by your children, grandchildren, and Great grand babies. Fly high and be at peace. You will always hold a special place in my heart.
