“ Betty & I grew up together at Abney St Church of God, we were in the youth group & I have so many fun memories. Seems like we were always at her house for slumber parties! I feel blessed to have had her for my friend for so many years. I will miss getting together with her & Nancy on my trips back home. I know we will meet again in heaven my friend. Love you ☐

“ I want to offer my condolences to Betty's family. I worked with Betty at both the bank and credit union. I live in Florida now and we had lunch together when I visited WV two years ago. She will be missed.

“ I'm Betty's granddaughter, Olivia Hart. Although my Mother and I were omitted from the obituary wrongfully and disrespectfully. I would like to say I loved Grandma Betty and we used to go to her house all the time when we were kids, riding our big wheels all over the neighborhood. She will be missed. She was loved.

“ Saying goodbye to a friend of 70 years is not easy. We met in 5th grade at Hansford grade school and graduated from St. Albans High in class of 1958. We grew up in together at Abney St Church of God. We often talked about what we learned about the Lord at Abney St. and how He bought us to himself. And now Betty is with her Lord and I have many great memories of our years together. The good news is I will see my friend again. Rest in peace my friend. Mary Newsom

“ This is Betty’s daughter, despite our many issues over the years, and my name missing in the obituary, she was loved and will be missed. We had seen each other more frequently than others knew over the years, but sorrowfully not frequently enough. Learn from this mistake and visit loved ones often
