“ Pam,

To say everyone loved your mother is an understatement. She was kind, smart, witty, talented and full of energy. There wasn't a selfish bone in her body. The world is a better place because of her. I know you have heard that expression many times, but this time it really is the truth, not just an expression. Please know that no one can ever take the memories of her away from you and your family. That beautiful smile and eyes that lit up when she saw you.

I truly loved her and always will.

“ Aunt Betty was my favorite aunt. I enjoyed our time together before she became sick and I also enjoyed our telephone conversations. I know she and her brothers and sisters are in heaven enjoying each other. I miss her.

When a Loved One Goes Home

*Once they saw through a glass darkly,
now they see their risen Lord.
Once they fought through tests and trials,
now they stand in faith's reward.
Once they had but partial knowledge,
now they know as they are known.
Once they walked a pilgrim's journey,
now their feet are safely home*

“ Aunt Betty was a wonderful lady and my brothers and I always enjoyed traveling from Ohio to visit with her and Pam each year. Even though her memory of us may have faded somewhat in the last few years, she still had her clever wit and always maintained a great sense of of humor. We would like to extend our sincere sympathies to Pam and her family.
