“ Mom,

You taught me so much and gave so much. You were a remarkable woman, mother , grandmother and friend.

Betty Adair Roberts was the one that helped make celebrations so special for all of our family. Fourth of July's, Christmas , Thanksgivings, Easters just won't be the same without you. But your traditions will go on and be shared for generations to come.

Thank you for the love and advise you gave - thank you for help raising Brian, Christy, Nick and Mackayla.

I love you and can't wait until we meet again,

“ I can't imagine a world without you here for us. We'll rely on your loving and caring spirit that we know so well and have all experienced. My thoughts and prayers are with John and your beautiful family. "...I've seen fire and I've seen rain.

I've seen sunny days that I thought would never end.

I've seen lonely times when I could not find a friend.

But I always thought that I'd see you again..."

You and she were always such nice people and my she rest in peace after her long journey here on this earth.

“ Grandmom was the best! She was always there for me, loved me unconditionally, and was the matriarch. She loved her family, friends, and the community. She loved the 4th of July and Christmas. She left an amazing legacy and I will miss her until we meet again.
