“ David and I send our condolences and we're sorry we couldn't be there at this difficult time. David had known Billy for many years and even shared a business together and we know he's not suffering anymore. You will be missed

“ Bill and I have been friends since High School, Bill was a good friend and was always the same every time you met him. His death was a surprise because I just talked to him a few weeks ago at St. Albans road side park we hadn't seen each other for a while and we talked for a long time. I will miss him and I know the people who knew and loved him will to, he was one of a kind.
