*Rusty and Family,  
Sending Prayers and Love your way. I am so sorry to hear about the passing of you son. It angers me when someone says they know what you are going through. They don't know, unless they had lost a child as I have lost two children. Brad is sitting beside Jesus, with a big ole smile on his face, looking down at his Wonderful and Loving Family. God had his big ole arms wrapped around you and your family, comforting you as days go by.  
May God Bless You and Keep You Safe.  
It's been a long time since I've seen you.  
Stay safe, Keep in touch if you can.  
Love Always,

*Cheryl and I were deeply saddened to hear of the passing of Brad. I have searched for words of comfort, but know there are none to ease your loss. I cannot imagine what you are going through with the loss of a child, but I do know that because of your dedication to family, Brad knew he was loved. I'm sorry we cannot be with you in your time of need, but know I am just a phone call away.*

“ My heart breaks for you Rusty, Kathy and all the family. Brad was a wonderful young man with a big heart and was taken way to soon. I'm grateful I had the chance to know him. He welcomed me as a neighbor and we became friends. He was always willing to lend a hand when I needed help. He will live forever in my heart and memories. Jasmine he loved you and his son so much...his face would light up when talking about you two. That love can never be taken away, the memories you made together will always be there for you to share with your son. Sending love, hugs and prayers....❤️

My condolences to the family 🙏🙏🙏 Brad was a good man who loved his family. He was a friend of my daughters and use to stop by our house ,always with a smile and a story. I was working at Ben Franklin when Brad attended there, and was able to give him rides while his car was being repaired. We would laugh all the way there, sharing stories of the mischief they got into as kids. He wi be truly missed by all who knew him .Rest in Peace Brad 🙏🙏🙏
