“ My sister Heather and I played with Brian as children when he lived on Curtis Ave. Our house was on Trenton Ave and there was a chain link fence that separated our yards. I'm sure I speak for all of the kids from the neighborhood when saying how heart broken I am to hear of Brian's passing. I pray for peace for his family. Please know that our memories of Brian are forever in our hearts :)

“ Condolences to the family. I knew Brian when we were kids growing up in the same neighborhood riding bikes together or playing video games at somebody's house. You never really forget the friends you had as a kid. RIP buddy.
