“ Kathleen -- So sorry to see this. I remember you and Bruce fondly from my CPD days. Bruce was one of my original training officers when i started there an a shift mate for many years. I learned a lot from him and he always made the day unique whenever we were partnered. Wishing you comfort. Cherish your memories!

“ Sending my deepest sympathy to you Marion for the loss of your son, to you Teresa for the loss of your brother and to you Kathleen, his wife, and to your grown children. I knew Bruce when he was little, then a teenager and young man as my aunt and uncle lived next door (Dot and George,) and was so proud of Bruce's career. So sad to lose him. Love and prayers to all of you. Sherry Reed Hill

“ I could tell Bruce Huffman stories for hours on end. He was a great partner and even better friend. I have nothing but good memories of Bruce. He loved his family and was a loyal friend to everyone he was close with. I am so glad he is not in pain anymore

Anyone that knew Bruce could tell you many stories. He was so funny and genuine. Extremely talented musician. That big booming bass voice. It was a pleasure knowing and working with him. Prayers to the family. God's speed my friend.
