

Carol Leigh Grass Bartlett

December 25, 1953 - June 28, 2019

Carol Leigh Grass Bartlett was born on Christmas Day in Charleston, WV in 1953. From an early age she had a rowdy spirit which guided her and stayed with her until her final breath was taken on Friday, June 28th, 2019.

Carol and her family moved to Wilmington NC in 1960. She easily made friends because of her kind and giving heart and her sense of adventure. Although she liked being in NC and loved being with her family, her heart and her soul never left WV. In 1980, she moved back to WV and put down her roots right next to her aunts. Carol was a fierce protector of her family and friends. She took care of them when they needed her and stood up for them when they couldn't.

Carol worked for Charleston Area Medical Center for 40 years and considered her work family some of her closest and dearest friends. She had a passion for her job and an extremely strong work ethic. Carol has joined the Lord in heaven. She will be missed by many and there is no doubt she will be fiercely protecting those she loves from above.

She is survived by her sister Marsha Grass Unverferth, her best friend Gina Singleton Taylor (Chris Taylor), her daughter Selbe Bartlett (Mike Dasher), her grandchildren Abilene and Jude Dasher, her cousins Elaine Hamrick Archibald (Grant Archibald), Mark Crouch (Lisa Crouch), Jeffrey Haynes (Alice Haynes), Eddie Haynes (Kathy Haynes), Chuck Reed (Susan), Susan Reed Reilly, and Cathy Crouch Walker (Dave Walker).

A private graveside service will be held at Cunningham Memorial Park, St. Albans. There will be a celebration of Carol's life at a later date for family and friends.

In lieu of flowers please send donations to Susan G. Komen, In Memory of Carol Leigh Bartlett, Dept. 41831, P.O. Box 650309, Dallas, TX, 75265

“ I'm so sorry to hear if Carol's passing. I worked with her many years ago at CAMC. I remember that she was a hard worker and she was so much fun. She had an uncanny ability to make even be most stressful working conditions fun. She was wild and crazy and made me laugh so much. She definitely lit up a room! My prayers for her family and friends are that God will comfort you, heal your hearts and carry you to a place of peace.

“ Growing up, whenever I would visit family up in Charleston, I remember Carrol always brought so much life to the room. It was easy to see her because her house was just down the road from Mawmaw. She loved to laugh, and she brought that positivity to the rest of us when we would see her. I'll miss you, Carol.

“ I am so sorry to hear about Carol sending prayers to family members. We were neighbors for almost 15 years she was a sweet sweet person. Always their if we needed her we always showed her improvements on the house cause it was her aunts house. I will miss seeing her at the hospital from time to time I was always happy to run into her a pleasant face to see when I was on the run. I remember when we first got home with our son and had her come over I said Carol come over I have to show you something and showed her Wesley she was so surprised. She said “I thought you were showing me another pet you had gotten, didn't know it was a baby” she was so happy she knew we had a hard time. RIP my friend Love Amy and Jason Knuckles
