Carol and I were very close friends growing up, spent the nights at each other's houses, ran around together, went to Glenville, WV one time with my mom and Dad to a festival of some kind, don't remember and we giggled and flirted all the way with the army guys traveling up the road along side of us lol. We used to make up our faces with all kinds of makeup. Carol was so petite and so pretty. I can't believe she's gone but if she was saved, we will see each other again one day. Prayers for her family.

“ I was very shocked when Chris told me about Carol's death. My heart goes out to everyone in the family as I share in your grief. I always admired Carol and I wish I had gotten to know her better. I thought she was so pretty and truth be told I was just the teeniest bit envious. She will be missed!

“ Carol and I met in the 8th grade, I moved from Ky. By the 9th grade we were pretty much, where you saw one, you saw the other. We had most of classes together in highschool and she was my Maid of Honor and I was her Matron of Honor. We even worked down the hall from each other at the State Road Commission. Although, I moved to Ohio and then to Tn. we have kept in touch for all these years. I will truly miss her.

“ I knew Carol from toddler to adult! We went to Lower Falls Baptist, Fairview, SAJHS and SAHS together and stayed friends all through the years. Only losing touch when I moved to SC. I am so saddened by this great loss to your family and as my friend. Prayers for all of you, I know she is in Heaven and that is my comfort as well as wonderful memories of her beautiful laugh and her loving, caring nature.
