“ *Denny, Craig and Family.*

Please accept my deepest sympathies on the passing of Sue.

While it has been many years since I last had the opportunity to see Sue, she was always a kind and friendly presence in our little neighborhood circle, back when we were all very young. I will always remember her fondly.

I hope you all find peace and comfort as you remember your Mom. Trust that she is at peace, and will always be proud of you both. Her job was well done.

Regards,

Greg Eads and Family.
