To Carolyn, my beautiful cousin. I will always remember you and all of the good times we had from the time spent as little children with Grandmother McFadden in Grafton to growing up next door to each other in St. Albans. I especially remember you handing out the bulletins each Sunday while so graciously meeting and greeting everyone at the Abney Street Church of God. I am going to miss our many talks and your laughter. You have always been a bright light in my life. May you rest in peace my dear cousin.
