“ I have known Sue and called her my best friend for over 60 years. We spent many hours together on Oliver Street. Life took me far from our hometown but Sue and her cousin Linda Kay always remained in my heart. I was so saddened when I learned of her illness and she fought hard but God could see she was weary and he gently took her hand and led her home. She will be missed by so many in our little neighborhood. Heaven must be beautiful because she's there. Rest in Peace my friend. I'll find you when I get there. Love you Sue ❤️ ☐
