“ *Cheep and Phyllis took me in like one of their own when their loving daughter Debbie hired me and then proceeded to become one of my dearest friends. Life has a way of separating us but Cheep's family will always be dear to my heart. My condolences on the loss of your Dad, Deb and Chip, especially so closely following the loss of your beautiful mom. His love for her, and her for him, was an inspiration to this young wife and mother. One of my fondest memories is of helping Cheep put together a toy for the boys at your house Deb, when Chip and Mary were coming in for a visit. We laughed so hard that night. I shall miss this dear, sweet man. Christ's Peace to you all.*
