“ I said to Joe today, the world seems a bit empty... like when you have that feeling of nothing to look forward to. You brought such life... energy... Your voice is like an echo in my mind, I can hear you. Thank you for being a part of my life, I feel very blessed. Thank you for Joe, without you there would be no him. Thank you for being a great grandma, Kailie loves you so much. Until we meet again, love you.
