“ My sincere condolences to Connie’s husband and family. She touched many lives in her time at Sacred Heart school, including those of 2 of my daughters. I particularly remember her mural on the stairwell wall in Seaton Hall, and still treasure the sketch she gave me that she had used to include the face of one of my daughters in the picture.

“ Cline, Carrie, Christopher and Family,
I am so saddened to read of Connie's passing. She was the first face I saw when I entered the door of Setan Hall for the first time. She showed me the Catholic school "ropes" and made me feel welcome. We five middle school teachers went on to become friends. I so loved when we carpooled to work, Fast forward thirty plus years and, as you know, we still get together and exchange gifts at Christmas. I will so miss Connie with her smile and her laughter at our get togethers. Rest in Peace wonderful lady. You will be so missed but your good work on earth is done. Prayers to your family.

I was saddened to learn of Connie's death. We met in seventh grade and were close for years. We were roommates at Marshall, carpooled to West Virginia State, and were neighbors early in our marriages. Most lately we followed each other on Facebook where she "commented" to me just a few days before her passing. I cherish memories of when we were young and energetic, but am grateful for the gift of years. Go in peace, Connie.
