“ I had a crush on Connie when we were in the 6th grade at Belle Elementary School. If my memory is still correct they lived in Hastings Hollow. We attended school together from grade 1 through grade 12 (DuPont High School). She was always a first class lady and my thoughts and prayers go out to all your family members.

Wonderful lady, wonderful memories,

“ Connie was like a mom to me. Always there when I needed her. Her and Tommy were Maw-Maw and Paw-Paw to my children. I will be forever grateful for the love and support given by them and their family.

Always in our hearts with the deepest love.

“ *Dear Family....We are so very sorry to hear of Connie's passing. The passing of a mother...grandmother leaves such a void in your life. We are praying your faith, family and friends gives you strength and comfort as you go through this difficult time. We will always remember Tom, Connie, and your family coming to the Bennett Reunion at the camp. Connie was always smiling, laughing and a delight to be around. Tom always touched my heart. What wonderful, wonderful memories. Mother and Dad loved the reunion and gathering family together. There are now so many of our loved ones on the other side. What a reunion that must be. Please know you are in our thoughts and prayers. Janet Bennett McDaniels, Ed and family.*

Mary I appreciate you taking the time to post a comment here and leave us with a special memory. Mom thought the world of you and enjoyed your company and friendship. Yes there is a hole in my heart that I know will never be filled but I try to take comfort in knowing that mom was looking forward to being reunited with dad she missed him so much and her earthly pain and suffering is over now.
