I was saddened to hear of your passing. I met you first when you worked at Mojos. I didnt know many people from south Charleston being from St. Albans, but you always greeted me with your beautiful smile that lit up the room. You were so kind and went out of your way to be helpful. Your family and friends have lost a beautiful soul and heaven has gained an angel. Prayers for those left grieving your loss. I pray some day I will meet you again in eternity. I'm sure I'll know you by the bright light your smile illuminates. Rest in peace. May your family find peace in knowing you have no more early pain and in time they will rejoice with you in heaven. You were such a kind person your memory will stay with many of us always. God bless you.
