

## Danny Ray McCormick

May 19, 1947 - December 21, 2023

Danny Ray McCormick, 76, passed away December 2023, at CAMC Memorial.

He was born May 19, 1947, to the late Hershel Eugene McCormick and Mae Cook McCormick. He was also preceded in death by his wife Mary Ann McCormick, and his sister, Mary Ella Hensley.

Also known as “Big Daddy” in the trucking world, Danny was a hard worker. He was a truck driver until he retired several years ago, to become an escort for Ace Flag Cars. He loved his job and all the people he met along the way.

He was a devoted and loving husband for 31 years, until his wife went to be with the Lord in 2007. Everyone who knew him, knew he loved his kids, grandkids and great grandson with his entire being. He enjoyed time spent with family more than anything. He loved beach trips, picnics and just hanging out with them. He was definitely happiest when they were around.

There was never a dull moment when he was present. His laugh was contagious and he was the life of the party. To know him was to love him. He will truly be missed by many.

Danny will always be remembered for his quick wit and his ability to make you

laugh, even on your darkest days. We will always imagine hearing him say, or text, "10-4", just one more time.

We will miss him every day, but his memory will live on in the hearts of those who knew and loved him. "Roll on" Big Daddy.

Danny is survived by his children, Danyelle Walker (Michael) of St. Albans, Jeremy McCormick (Katelyn) of Charleston, and Sarah (Justin) of St. Albans; brother, Randall McCormick of Charleston; grandchildren, Miranda, Shane, Madalynn, Haylee, Linkin, and Elijah, and great grandson, Judah; and many other extended family and friends.

His wishes were to be cremated with no service.

Bartlett-Nichols Funeral Home, family owned and located at 409 Sixth Avenue, St Albans is honored to serve the McCormick family.

“ Danny and I grew up as playmates until they moved to St Albens. We always kept in touch for years. He helped me get one of my first jobs pumping gas in Charleston. We kind of drifted away later in life but would see him at several family funerals. Will surly miss him. RIP CUZ
