“ *I grew up with Danny in Chemical city. At Christmas time he would say Rick come over Mom just went to work and I would run over to his house and we would carefully open all his Christmas presents and play with them and then wrap them back up before his Mom got home. He was such a great friend and always had a smile on his face. My wife Teresa was also a friend of Danny's. In their senior year of high school they would go roller skating on Friday & Saturday nights with Robin Davis & Vicki Perkins. Danny always told them he was their body guard. Teresa tried talking Danny into taking her to the senior prom (because I had already graduated and was in training in the Air Force) and he wouldn't do it because he wasn't messing with my girlfriend. He was such a great friend and was always smiling. Our heartfelt sympathy to Dreama and the family. Love & Prayers*
