“ May God Bless you Carol, Linda, and extended family. David was like a big brother to me back in the day. Outdoor adventures were plenty and I learned a great deal from him.
RIP David and say hello to John for me.
God Bless 🙏

Mark, I just saw your post on David's memory page. This has been a shock but not the same as John was. We appreciate your thoughts and prayers for us. Seems like our family is shrinking quickly! Come see us whenever you can.

He was all those things and I have missed him deeply for the past two years. Life without him is not the same and was certainly unexpected.
