“ *My Husband, My Soulmate, The Love of my Life
Missing you comes in waves .Today I'm drowning .One year ago
today you left. My heart was torn in half one side filled with
heartache the other died with you .I often lie awake at night when
the world is fast asleep and take a walk down memory lane with
tears upon my cheeks .Remembering you is easy I do it everyday
But missing you is heartache that never goes away. I hold you
tightly within my heart and there you will remain until the joyous day
arrives that we are together again.
Your Wife, Joann*

“ My deepest sympathy goes out to the family of my dear friend. He was taken from us before he could enjoy all the pleasures of being a friend, a co worker, and a Moose brother and fraternalist. I enrolled David into the Moose fraternity when he became 21 years old. He enjoyed what the Moose organization stood for and wanted to get involved in our ritual ceremony to enroll our new members. David was a member of the St. Albans Moose ritual team and the Moose Legion ritual team. He became a national champion at an early age compared to a group of men nearly twice his age. He was so good that he became a ritual judge and traveled extensively and frequently to both judge and teach. I am proud to say that I was instrumental in bringing David and Joann together and I attended their wedding. My fraternal brother will be greatly missed. I know that I will be reunited with my friend sometime in the future when the Lord will bring us together again.

“ *I spent many days for several years with David playing ball , hanging out and playing our favorite football video game at his house . David could always make us laugh and he was one of the toughest competitors you ever met that with his very fast speed made him a outstanding football and baseball player . David has a big heart and touched many in his life . This earthly world will miss him . Taken much too soon . But know he is in heaven making it a better place . Prayers for his family . RIP David*

“ I remember Dave coming to my parents home to give them an estimate on a metal roof. I was a manager at Lowe's at the time and he just won me over with his polite and infectious personality. I asked him to apply and come work with me. We spent many years at Lowe's together and I watched him grow with the company. He was an absolute pleasure to be around. I am very saddened by this news and know the world lost a great man. God bless the family at this time. Praying for comfort and peace.

“ God bless the Lambert family, I am so sorry to hear about this tragic news. Davis was a great friend, teammate and competitor. I will always remember the hustling and spirited center fielder. His enthusiasm and chatter were always a spark. He will be missed and I will always remember my "little buddy".

“ I’ve known Dave for several years both working with him at Lowe’s South Charleston and partnered with him when he was an account executive. Dave was very passionate and did everything with integrity. Always was in a good mood and willing to help my store when asked, but also was always asking about my family. Dave was a great man and I considered him a friend. Prayers to his family. God bless!
