“ Diane, you will always have a special place in my heart. Our childhood years are some of my fondest memories. I'm not sure I would have survived my teenage years without your kind words of peace. My heart breaks to know that you are no longer with us. You were the embodiment of the word Christian and your love for others was boundless. I will always love you and your mother and sister. I will pray for your family and your church family because they've lost an angel. Rest in Peace my dear dear friend and I'll see you with Jesus in the next life. God bless you and your family. 🙏❤️🙏😊

“ I met Diana when we were living and working at Lamb Hospital in Bangladesh.
Her home, heart and jug of iced tea were always open to us. She will never truly know the impact she had on my life from then on. Over many miles and many years she was always in touch and encouraging me and my family. Gone but never ever forgotten xxx

“ When Diane and Jim were preparing for missionary service they came to the HEART Institute in Florida along with their three children. I was amazed by Diane as she balanced adapting to living in a simulated 3rd World Village while home schooling her children in addition to learning new skills that would be an asset on the mission field. Her love for God and her family was a light that impacted everyone who crossed her path. Of the many students and families that trained at HEART while I served as Director, Diane Horn and her family stand out as extraordinary among God’s servants. Well done good and faithful servant enter in to eternal peace in the home Christ has prepared for you in Heaven.
Love and prayers,

“ Diana is still very much alive in my mind and always will be. She was full of energy and full of love for her Savior. I remember her telling me all about her beloved sister who had recently passed away, and how her sister represented Christ to so many. Diana did not let the cancer get her down. She fought hard and trusted Christ every day. She was a fighter. Her legacy will live on in her children and grandchildren. We love you, Diana!!! Linda and Ron and family
