“ *"The Perfect Man"*

*A few years ago when I would pass through West Virginia going from Kentucky to my Home in North ,I would stay with Lucille or Randy.*

*It never failed that Lucille would bring up a subject she called "the perfect man"(she had a photo of either someone or a photo of a headstone with the words "The Perfect Man" on it.( both were very faded and don't remember which photo it was or what the relationship was to her).*

*She would always bring out the photo and we would talk and laugh about someone who was "The Perfect Man" and she would even mention about going to visit his gravesite.*

*Upon her passing, one of my first thoughts was of our conversations about this "Perfect Man" and how now, she will get to meet "The Perfect Man" in person,in Heaven.*

*May God Bless*
