“ Donna Jean always was upbeat and positive. You never saw her unless she had a smile on her face. Soon after she married Dave, they were "contestants" on a Newly Wed game at Humpherys church in Tornado. Dave, we thought, was dour, but th two of them had the audience in stitches with their answers. It was a special night with a special memory.

“ Aunt Donajean was like a second Mother to me and my sister Debbie. Our father passed away early in our lives and she and uncle Ray were always there for us. Great memories of them taking me fishing. And, in later years, my wife and I have fond memories of the golf outings with her and uncle Ray. Every year they would come down to Georgia to spend time with us. Aunt Donajean had such a kind heart and infectious smile. She will be truly missed and never forgotten.
