“ I will never forget the overwhelming feeling of love I felt when it was announced he adopted the entire Kidd family! His generosity knew no bounds. From travelling across the country to attend my grandpa's funeral to supporting his community. Every visit was so special to me as he was such a dear friend to my grandpa, I would see traits of him in Don and the wonderful traits Don had passed onto to my grandpa. He was an incredible friend to my Grandma they were truly the best of friends. He always managed to put a smile on our faces even in the darkest of times. Don will be very much missed. I wish his family and community my most heartfelt condolences at this time.

“ Don was a good man in times where there often were - and are - not very many of those. He and Mary were the best of friends with my father and mother, and he and mom remained very special friends after Mary and Daddy passed. One of my favorite memories of Don was him attending my father's memorial service (I posted a photo of Don with my sister, Diane, holding an umbrella over Don in the pouring rain while Don read from the Bible). I can still hear his voice in my ears as the two of us sang "Amazing Grace." He will be missed by so many. --Karen Kidd (Kay's daughter)
