“ *Doris (and Bob) lived next door to me for more than 20 years and I just want their family to know how blessed I am to have had them as my neighbors. From almost the moment we met, Doris and Bob both treated me like family -- they were always kind, caring, loving and special (and sometimes funny, especially when Bob was trying to watch TV and Doris and I were talking too much!).*

*My deepest condolences to your family during this time. Doris was an amazing woman and she will be truly missed. Your family is in my thoughts and prayers -- may God comfort you as only he can.*

*Love, Teresa Thompson*

“ *So sorry to hear of her passing. Had been a while since I last saw her. Her father and my grandmother Mattie were brother and sister. My mother and aunt Bev would occasionally talk with her before both of them passed away. Prayers for comfort. Once again, I'm so sorry for your loss.*
