“ *Tim, Kathy just notified me that she saw your dear mother's obituary in the Huntington paper. I am so sorry for your loss. She was a precious soul and one that I treasured seeing each year when I returned to their tiny St. Albans church. Mother loved her so for all those years, It sounds like she spent her final months in NC with you. I have so many fond memories of our time growing up in church and then in Morgantown. All my best to your family. All my sympathy!*

Rosemary. Thanks so much for your kind words. Mom did get to spend the last six months of her life with us in Greensboro. It's a time I'll always hold dear. I too have great memories of our youth and only wish I could have remained in touch with everyone. Mom always valued your Mothers friendship and faith. Please track me down if you ever head south. Thanks. Tim.

“ Dear Tim, My thoughts and prayers are with you, Colette and the family she leaves behind. I went to see her and missed you both by minutes when you came for her. The memories I have of you Debbie and your mom will be with me forever. We grew up in the church together and those were some of the best times. Your mom, like my mom (Dottie Oxley) made it a point to get us to church. I wish I could be there in person to give you my condolences but I am out of town and won't return until Sunday. Please know that I am thinking of you. Your mom is safe in the arms of Jesus now. Vicki Oxley Saunders
