“ Although we have been through good and bad times during our lives our family love has stayed strong. You will always hold a special place in my heart, mind and soul that will never be forgotten. I hope you remember that I will forever love you yesterday, today and tomorrow. Rest in peace my baby brother.

Dwaine i can't express how much I miss your texts, your phone calls, to know I'll never receive another saddens me. You were my greatest friend ever through out all the years I've known you. I know these last few years have been rough on you, I believe God sent you home so you wouldn't have to suffer any more. Your the greatest soul I've ever known, all I keep thinking is WHY? Why did you have to leave so soon. I shouldn't be selfish, mad, angry or even question WHY bc in my heart I know your in a better place. All I have are memories and believe I will hold close those memories until I meet you at the pearly gates which I know you will be waiting. I love you D...thank you for sharing your life with me. I love you...ConnieLee
