“ June will be missed by all who knew and loved her! Though she was my cousin and a niece to my mother she was more like a sister to mother. June would always check up on mother when she knew she wasn't feeling well. My siblings and I would love to go to her home. She was always welcoming. She always had a delicious dessert to offer. Once when I was little she took my sister in for a week while my parents had to go out of state. One of my fondest memories. First time I learned to ride a bike at her house that week. She will be missed, but never forgotten.
