“ I have such fond memories of Betty hanging around with my parents Janette and Charlie Albert at all the Minsker events during all the 1 years I was growing up and even as an adult. She played bridge with all the "Minsker" and "Fraser" women and the "Popp" crew and that's how I learned to play bridge when I was college aged. I have a clear memory of the year Santa brought her a car for Christmas. We Alberts all went over to drool over it.

Now, I'm 80 years old this year and all these wonderful relations who were such a huge and positive influence on my life are coming to be even more precious memories. She and Aunt Francy were such buddies. I just looked up to them so much. She was a bright spot to me too. Mary Beth (Albert) Dent
