“ Elmer will be forever missed he was so nice and good to us girls. We would always try to get him to sit down in meetings etc and he would say he couldn't sit down if there was a lady in the room. If something was broken “Pops” was always there bright and early checking things off his to do list. Other things he loved was Diet Coke, babies and dogs he would always ask to see pictures and videos of all the babies. He was a bright spot in all of our days. Love your Riverside Crew
