Emma and Duncan were two very special people in my life. I met them as a first year medical student at Ball State. I truly loved them both, and admired their welcoming spirit.

“ *My heartfelt condolences to all the family. My memories of Emma are of a warm, stoic woman from West Virginia who loved her family dearly. We kept in touch for awhile after I moved to Colorado and she always made me feel special by sending updates of grandchildren, etc.
Rest in peace, Emma. You will not be forgotten by the many who love you.*
