“ *Eunice was one of a kind! She was such a gentle soul, quietly looking out for us as kids. She always made sure we were fed and safe. Eunice provided transportation to many community events, always saved a place for me at Susan's birthday celebrations! I'll always be grateful for the love she shared through all of my growing years by giving me a lifetime friend. Her spaghetti was the best! She also had a soft spot for Spring Hill bakery birthday cakes💕. Rest In Peace sweet gentle Mrs. James*

“ When she would babysit me after school she would always make sure to make peanut butter toast and have scooby doo circled in the tv add. We played cards and she thought I was so good but I was looking through her glasses at what she had so I would win. Glad she is at peace now. I love you grandma.
