“ I met Evelyn many years ago when her family moved in to the house next door to my family. She was always so very nice to me. Many times a few of us would take walks at night when it was summer we always enjoyed it. I lost touch with Evelyn when one of us moved from the neighborhood. Then years later after I was married I met her again in North Charleston and would see her from time to time but she was always the same. A wonderful caring person. I'm so sorry for the loss of your Mother, I pray God comforts your hearts.
