“ *I worked with Miss Jane for over 25 years. She was the sweetest lady there ever was. I still miss her laugh. Our work areas were always side by side. She taught me so much when I started working at Service Office Supply in So. Charleston 35 years ago. Jane also worked with my dad before we both started working at SOS Jane when I hear the word lady you are the very first person I think of because that's what you were.*
