September 19, 1939 - February 5, 2026

When she married, her husband Randy insisted that she take "early retirement" and she became a full-time Homemaker and an incredible wife and loving mother who dedicated her life to taking care of her family. She was an excellent cook and a voracious reader who cared passionately about the well-being of children.

She had been suffering from dementia for the past eight years and was

patiently cared for and protected by her husband of 65 years who rarely left her side. She spent the past 18 months in the loving environment of Braley Care Home and peacefully passed after two days of incredible care at Hubbard Hospice House.

She is survived by her husband, Kenneth Randall Mullins of St. Albans; daughter, Kimberly Mullins Cavender of St. Albans; son, Richard Mullins (Stephanie) of Charleston; special sister-in-law, Joyce A. Mullins of St. Albans; grandchildren, Daniel J. Cavender, Adam B. Cavender and Noah R. Mullins; great grandson, Kaden B. Cavender; and some very special nieces, nephews and great personal friends.
