“ Uncle Garry had a wonderful sense of humor. When I visited as a kid I could always count on a good laugh, and exceptional cooking from my Aunt Susie and going to the mall with her and my cousins. I have fond memories of eating Rolo candy in Uncle Garry's truck and it was cool he could turn the simple things in life into a big adventure. My sincerest condolences for your loss, I've lost touch with you all as an adult but the care and love is forever there. God Bless, Crystal Sams formerly Crystal Cavender
