“ I’m deeply saddened to read of Gary’s passing. Ive known the entire Stuck family, Norma, Ed, Debbie, Jerry and Gary, from many interactions through church and the Davis family many years ago. Gary was the jokester of the lot, much like his dad and always exciting to be around. I sincerely extend my condolences to Jerry and Gary’s family.

“ I’ll never forget the first time I met Gary. A stern but gentle personality at the same time. The times all the high school gang would come up to the house he was always so welcoming, and enjoyed us being there just as much as we did! I hate as time has gone by, we hadn’t had the time to all get together. He was such a great father, role model, and man. I’ll miss him! My condolences to the family.

“ How do you describe a Christian brothers entire life in a few sentences? Through good times and bad, for 54 years, Gary was my friend. He was there when I needed a friend. Even if our directions didn't start out straight, he was there. When he invited me to a revival service, he went with me. After accepting the Lord and my life changing drastically, Gary was there. And for the next 48 years, he was there. Whenever I needed help with anything, he was there. Although we didn't agree on everything, there were never any harsh words or unkind feelings. Gary loved the Lord and it showed in his walk. I have never had a friend like Gary and I'm sure that I never will. So, rest on peace, my brother, rest in peace. John
